

CYFC CANTEEN AGM REPORT 2016

This season we made to order, a total of 894 Cougar Burgers, Steak Sandwiches, Chicken Burgers, Yiros and Bacon & Egg Sandwiches. When you add to that 68 dozen Pies, Pasties & Sausage Rolls, 108 Salad Rolls, 960 Hot Dogs and nearly a Tonne of cooked chips—just over 900kg plus a few other items, -you've got a busy canteen.

At each of our 8 home games 12-15 volunteers, cooked, assembled and sold fresh made food during the 2016 season, and with great pride we were also able to feed 24 people who suffer from different food allergies. These folk can rarely eat from a footy canteen.

Local business is important to our area and supporting them has a vital flow on affect. In supporting them we have ordered the following amounts ;-

\$6711 from Maitland Foodland.

\$3020 from Maitland/Yorkes Bakery .

\$2337 from David Sly of Smallgoods Direct.

\$1276 form Adrian Brokenshire of CYP Milk.

\$748 from Yorke Valley Kitchen.

\$148 from Briggs Meat Service.

\$1433 was spent outside our town through Centre State Foods based in Kadina and lastly \$1255 from Cash & Carry in Adelaide. So of the \$39,006 that went thru our canteen this season only \$2688 was spent outside of Maitland. So as you can see its not just our club that benefits from our home games.

I'd like to sincerely thank the dedicated friends who gave freely of their time each home game this season. Lou Dutschke our exceptional chip chef, Martha Marks, Dianne Treloar, & Ros Allen all spent full days working with me to fill the fresh food orders. Julie Greenslade worked 5 out of 8 home games & Kaleb Gerschwitz spent each Friday before, setting up, stocking fridges & collecting food orders in readiness for the Saturday game. This core group of people were invaluable to our success in the kitchen.

Thanks also to the many rostered volunteers who arrived on time for their shift—the kitchen can not function without the many hands needed to produce and serve our great quality food.

Everyone can take pride in our canteen, where no food request is too hard and the prices won't spoil your day.

In a season where gate numbers were down we still managed to make a profit of **\$21,938.08**

This money will go into our Building Fund for continued improvements around the club and a future new Amenities Block.
