

## **CYFC 2016 MERCHANDISE REPORT**

Merchandise in season 2016, has once again proven to be a big job. This year saw new Guernseys for all grades from U10 to A Grade. New sponsors Maitland Freight and Maitland Foodland came on board this season as Guernsey sponsors for Junior and Senior Colts. We thank all sponsors who assist with the cost involved in providing Guernseys. Thanks to Paul Ackland and David Clasohm for assisting with sponsor logos etc during the visual/design process.

To reduce the workload involved, specific merchandise opening hours were put in place this season. Thursday nights 4-6pm and Saturday home games from 11-2.

I would like to thank Michelle Geater-Johnson and Sally Davey who stepped in during the early part of the season to assist while I was out of action. It was greatly appreciated. Thanks also to the mum's during this time, who helped Michelle and Sally at Thursday night trainings.

As evidenced this year the more people willing to help out, the easier and more enjoyable the roles are.
