## REMINDER: CLUB MEMBERSHIPS ARE NOW DUE

### *From the President.*

The match against Moonta signalled the beginning of the second round. How time flies. The Cougars football club, both on and off the paddock should be pretty pleased with our efforts so far this season albeit only the half way mark. It is great to see the boys play some gutsy footy and rattle the cages of the top sides!

Our next game against the Crows will be on the 16 of August at Minlaton. This game, due to the combined inspiration of Lincon Bruhn and Nick Davies, will now be known as the Bruhn/Davies cup. Along with the support of Minda it will become an annual event to raise mental health awareness in the bush. On the day Minda will have gold coin donation tins at the gate and be running a raffle throughout the day. The winning team will be presented a trophy after the game by Lincon and Nick. I know this is still a way off but please put the date in the calendar and support the day on the 16th.

As is now glaringly obvious the building is coming along at a cracking pace (weather permitting)! Believe me this is a great relief to all of us, and I'm hoping we will eventually say well worth the wait!

Financially we seem, at this stage at least, to be on budget. This means we should be able to complete the building including a fully equipped bar and kitchen without having to seek extra funds!

After saying that we do have a small dilemma with tables and chairs and the financing there of! What has been decided is to offer to all members and or supporters the opportunity to purchase debentures from the club at \$5000.00 each. These will secure any incidentals needed to put the finishing touches on the building. The debentures will be refundable at a later date on request. Anyone interested in purchasing such a debenture please contact either Scott Schultz or Tim Davey.

Cheers Giles Honner  
CYFC President

### A Grade Report

Well half the season has gone and after a poor start we have managed to string 4 wins together to be at 4-4 at the turn. The team has been playing very well over the last month but we cannot afford to relax as to have any chance at finals this year we will need to win 5 more games. Niggling injuries have been hampering us with getting a full side on the park, however, our younger group of players have stood up well and senior players have been in good form. Thanks to Sol who took charge while I was away for the Bute game. Looking forward to the rest of 2014 season and hope we can continue to improve with good team play! Go Cougars! Cheers Juddy.

*Keep an eye on the building progress on the Cougars website!*

### Memberships

Included with this newsletter is a membership form for you to complete and return along with your payment to either David Clasohm, Treasurer Tim Davey or your team manager ASAP.

If you have already become a Cougars member or Vice President for 2014 please pass the form onto some one who may like to join the Club. Thank you for your support.

It is compulsory that all players are financial members and they must also complete the insurance declaration.

I hear that junior memberships are pretty well all paid up which is a testament to our hard working team managers and coaches. WELL DONE!

I encourage parents and all Cougars supporters to become financial members of the club. Money collected will continue to provide our community with a successful football club which gives a great opportunity for our future footy stars to learn about the game and improve their skills.

More forms are available at [www.cyfc.com.au/info.html](http://www.cyfc.com.au/info.html)
