REMINDER: CLUB MEMBERSHIPS ARE NOW DUE

From the President. Here we are almost half way through the season already. How the time flies. So far all teams have had mixed results leaving plenty of room and time for improvement.

The new clubrooms are still in limbo, awaiting the grant results. Now we are being told the grant applicants will be notified in July 2013. Lets keep our fingers crossed as this grant would be a fantastic bonus to our building fund!

Our first social event, the Cougarfest, was held on the 18th of May. The night was well organised and well patronised, with revellers coming from near and far.

So well done to our social committee. BUT – the letting off of the powder type fire extinguisher, the running on top of and destroying of three tables, the food fight and other random damage –comes at great cost to both the clubs cheque book and its standing in the community.

So please, before going NUTS remember some one has to fix it, clean it and pay for it!

Ardrossan at home this week. Good luck to all grades!

President Giles

THANKS TO CENTRESTATE EXPORTS.

A funtime was had by the lucky bidders of the Crows V Hawthorn Game and \$200 was raised which will be donated towards our new clubrooms. (Each season Centrestate donates tickets and carparking at AAMI Stadium for us to use as a fundraiser.)

A & B Grade Update

The A Grade is going ok with 2 wins so far but had a disappointing loss last game against the Southern Eagles. Our starts have been very slow which is disturbing as we are often playing catch up football. Our focus over the next few weeks will be to start better and work harder throughout the 4 quarters which will bring better results. Consistent effort is a key to regular wins and I know the boys will be keen to make amends over their coming games.

Juddy

The B Grade are showing some good signs so far this season, having won two games and been competitive in all other matches. The team is continuing to show improvement each week and at times playing a great standard of football. We believe we are not far away from being up there with the top sides and hopefully can get another couple of wins before the end of the first round and push towards the top five heading into the second half of the season.

HELP NEEDED: We are looking for some parents willing to take photos of U8's, U10's and U12's on Saturdays for our Club website. The kids love looking at these but the Clasohms no longer are at football at this early time. If you are interested in doing once or on a regular basis for any of these grades please contact David Clasohm on 0417838919.

"Cleanup Sundays" is after a home game and is a way to share the work load. The Committee have decided that all teams in the club will have a turn of cleaning up the oval after a home game. All children and parents are required to help. Your coaches/managers will advise you of when it is your turn or you may receive a CYFC text message. Most of you will only have 1 or 2 turns of this and it only takes an hour or so if everyone pitches in and helps out. Thanks to those who have already had their turn and helped out.
