## Grain Donations for Building Fund

The 2010 season has been a fantastic season with high prices and excellent yields.

The CYFC building committee needs grain donations now, any grains, any amount.

You can make a transfer by ringing the Viteria Service Centre on 1800018205 and requesting a transfer to the **CYFC NGR 10007230**. Your donation will get us well on the way to raising the funds to start the building at the oval.

Your donation will be recognized on an honour board displayed in the new club. Become a gold, silver or bronze donor by simply ringing 1800018205 and transferring grain to **NGR 10007230**. Over \$6000 of grain has already been donated, don't be the only CYFC grain grower whose name won't be on the honour board.

The South Australia Country Football League (SACFL) have decided that all affiliated clubs must have their logo on guernseys, shorts and socks by 2012.

This year we have replaced U10's/U12's and Senior Colts guernseys. Thankyou to Grant Roesler (Australian Grain Export) and Randy & Lou Dutschke (Armac Welding) for their sponsorship of these guernseys.

At the end of season 2011 we will be replacing Junior Colts and A & B Grade guernseys. If any person/company would like to be involved in sponsoring these guernseys please contact

The President, Andrew Thomson.

The CYFC will be selling the new football shorts and socks and **all** players must be wearing them.
