

Last game of the first round !

Game Day Newsletter 12th June

Today marks the completion of round 1 and sees our A grade boys well and truly in the hunt for some finals action. The B grade boys have battled on with the assistance of our senior colts and have turned in some competitive performances. The senior colts have produced some great footy at times and their best is certainly good enough to see them in the five later in the year. The junior colts are also in the mix for a top five finish.

Our under 12's are a strong outfit and consistently dominant opposition sides whilst the under 10's are also a very competitive group of boys.

A special mention to Todd Twelftree, Ben Gunning and Adam Hamilton who represented the club at Association level last weekend at Jamestown with Ben Gunning being awarded the best YPFL player of the carnival.

Congratulations to Daniel Blyth and Trent Wanganeen who were selected in the victorious YPFL Under 15 association side and Daniel finishing high in the best players only 24 hrs after making his A grade debut against the Eagles

Colin Sansbury, one of our U 12's, has also been selected to represent the state in a SAPSASA side in Queensland in July. Colin is a highly talented athlete who has a big future in footy and the CYFC is proud to support him in his achievements.

Membership is now due

A reminder to all members and supporters that you will, at some stage, be required to work at either the Cave bar or kitchen or the oval bar,bbq or canteen. Please assist us with your co-operation.
