Game Day Newsletter 4th April

Issue 1

Welcome to all members and supporters to the season opener vs the CMS Crows here at Maitland. We are looking forward to a strong and committed performance from all teams and see the players who have put in the hard yards over summer be rewarded.

We welcome Jarred Byrne, Ryan Byrne, Ben Gunning and Josh Dutschke back to the club and new player Adam Hambleton into the side. The form on the track of many of our younger players has been exciting and we are looking forward to a great season opener.

Congratulations to Todd Twelftree in being appointed A Grade captain and Cam Webster and Sean Hastings as Vice Captains. They represent a fantastic leadership group on and off the field.

A reminder to all members and supporters that you will, at some stage, be required to work at either the Cave bar or kitchen or the oval bar, bbq or canteen please assist us with your co-operation.
