Well done Social Committee for organising this.

Auskicker Update

With 48 U8 Auskickers participating this season it would be impossible to run successful sessions without good support. Thanks must go to Assistant Coaches Paul Linke and Paul Jarrett as well as the numerous parents who regularly give up their time to help out. As coaches there is no better reward than to see constant improvement in the basic skills we try to teach the lads. On the 14th of April, the Moonta match, we played an extra game at half time of the A grade. This was well received by the crowd and the kids loved it. We will consider this again later in the season. Lynne Thomas has taken on the admin role again and her patience and persistence in collecting subs and rego forms is greatly appreciated. With so much family involvement at this level I feel the future of the club is in great hands. Keep up the good work. *Tim Davey*

From the A Grade Coach...

Well we are already 4 games into the season now, and while we have had a good win against Ardrossan, the close 2 point loss to Eagles and the Moonta and Bute games were disappointing. As we move forward, we are keen to get rid of "bad quarters" which we seem to have one per game that is hurting us. I feel that there has been improvements in many areas of our game this year, but we still need to concentrate for longer periods to eradicate the frustrating lapses. Another win won't be far away however, as this group is hungry for more success! Congratulations to the B Grade lads for their first win on Saturday against Bute, keep up the good work. A reminder to A/B squad players about training at Port Wakefield on Tuesday 15th May at 6pm. Looking forward to the Players Auction this Saturday after the Pasky game. See you there.

Juddy

If you haven't bought a "lucky square" yet please catch up with David Clasohm. Be quick as they are nearly all gone. Thanks to our prize donors.

Great to see so many U12s and Junior Colts completing their boundary umpire greenshirt accreditation.

Well done boys.

As supporters please encourage these boys and support them as they do their job.

COUGARS NETBALL CLUB

Season 2012 has started and we are proud to say we have registered some wins. Initial player numbers were very healthy for our club, with over 100 girls attending the first trainings. As well as our 7 competitive teams & 1 non competitive team on a Saturday, we have put in one senior and two junior teams to play in the SYP competition on a Friday Night at Minlaton & Yorketown.

Last Thursday saw the first training for our little NETTABALL grade, with 24 five to seven year old girls attending.

Fundraising is our main aim this season as we attempt to raise \$70,000 to resurface the courts. The back two courts are in very poor condition. We are applying for grants and doing many fundraising activities throughout the season. Keep watch on our website & facebook page for future social and fundraising events. Our major fundraiser being A NIGHT @ THE RACES in the Pavilion on June the 23rd. get your tickets early as it promises to be a great night, with the proceeds going to both the netball & footy clubs.

You may have noticed our new scorers / player's sheds on our second court, thanks to Neil Dutschke for the construction of these, our little G & H graders now have some shelter when the weather is wet and windy!

Other improvements around the Netball Club include maintenance and upgrading to the lights, enabling three courts to be lit up at training to accommodate our many teams.

Thanks must go to all the wonderful volunteers in our club, the coaches, team managers, committee members, umpires, scorers and timers, canteen helpers, maintenance men/women etc etc. As the saying goes "many hands make light work", is so true! If you are a player, parent of a player, or a supporter any little bit of help is much appreciated.

The season looks promising with several of our team's possible final contenders. Scores and Best players are read out every Saturday night in our temporary club at the Pavilion, come and have a hot meal and a few social drinks and support our Netball & Football club, we would love to see you.

DOM'S SENIOR COLTS have hit the ground running this year. The young lads are enjoying their football as are a few old farts on the sidelines. Dom Fotia has the lads playing well insisting on plenty of run from the backlines, emphasising to make the first quick give and then go long and direct. So far we have exorcised the Demons, Clipped the Weagles Wings, cooked the Crabs and Butey, Butey, Butey, plucked the Chooks as well. Off the field, Dads are clamouring to wave the sticks, especially after some good PR work from Eldon Oster and mums are chuffed when asked to wash those sweaty jumpers. Team Runner Nigel Kernich has lost 10kg this season as he attempts to pass on Doms words of wisdom to the lads. (On many occasions he has been observed hunched over and in clear physical distress). There are many early season highlights, none better than seeing big Alex Thompson grab a few great marks and kick a couple of goals against Bute or Tim Hasting snaring a wonder goal in the same match. May the momentum continue, GO COUGARS!

John Carey (Team Manager).
