## Presidents Report

Well here we are almost half way through the season and although we have only secured one win for both A's and B's we are tantalisingly close to improving that tally. The Senior Colts, however, under the leadership of Dom Fotia have done an outstanding job, only losing one game for the season. Those young blokes will hold us in good stead for the future, The Junior Colts also are only 1 game up at this stage.

Off the paddock it is, as usual, a hive of activity. It is great to see a few new faces helping out. The arrangement with the Show Society and the use of the "Pav" is running smoothly with both committees working well together. The Cougars are very appreciative for the use of the Pavilion, and I think that to date, the caravanners have enjoyed our hospitality and have not been kept awake too long into the evening. The Social Committee have got us up and running with plenty of entertainment with the "C" night and the Player Auction. Both were well attended and enjoyed by all. So far the transition from Robert Street to the "Pav" has been financially painless and well patronised. It has meant a lot more work for catering but this has been handled superbly by Tony Clark. Thanks again Tony for your boundless energy and commitment!

The new clubrooms - I hear you say what new clubrooms! I can assure you that it is coming along nicely albeit a little delayed. Recently the contracts went out for the construction and have been well received by local tradies. Pending approval from the Council, the start of construction has now been put to mid August due to fine tuning of the architect plans. We still expect it to be completed by the next footy season if all goes well. Obviously there is still a lot of money to be raised for its completion. Another Surplus Machinery Auction will be held early in 2013 to raise funds as with several social events during the year. Tickets are now available for a major raffle which has a first prize of a \$10,000 trailer donated by Scott Schulz and family. Please continue to support the Club in any way you can whether it be financial or hands on. All assistance will be gratefully accepted.

Cheers for now.

Giles Honner, CYFC President.

## Under 12's and Under 10's

The Under 12's have had an up and down year so far. Thanks to Paul Baker for coaching the under 12's and Simon Wheare for umpiring and also Darren Stock for filling in umpiring when needed. As we near the end of the first round it is pleasing to see some improvement in the boys skills and sense of team play. The under 12's would like to see some more helpers on Thursday training nights to help hone their skills ready for the second round and in preparation for the Minlaton Carnival.

The Under 10's have had a good battle in all games this year. With low numbers and small bodies the boys are learning to work well as a team to get the ball down the field effectively. Thanks to Ed Morris for umpiring and helping out on Thursday night training. Thanks also to Ben Gersch, Andrew Thomson and Pete Dutschke who also help on Thursday nights. The boys enthusiasm to learn is great and we hope to see more improvement in the weeks ahead. Go the Cougars.

Tim Schwartz
